# New Kent High School

New Kent, Virginia  
1970-1971

CHARBERT JONES, Business Manager

CONNIE BOTTOMS, Editor

In this Nineteen-hundred and Seventy One NKHS yearbook, the annual staff and I have tried to capture all the many events and adventures that have happened in the past year. We have all worked hard on this book, and we hope that it honestly represents New Kent High School. We also hope that in future years you will look back and use this yearbook to relive some of those unforgettable high school years.

As Editor, I would like to give my sincere thanks to Mrs. Elizabeth Roberts and the entire annual staff for without them, this book would not have been possible.

# Dedication

## Mrs. Thelma C. Wilson

It is with a sense of appreciation that we dedicate this yearbook to you, Mrs. Wilson. You have given your support to this school and all it stands for by being an active member of our PTA since 1934; its reporter from 1934 to 1965 and its president from 1965 to 1970. During those years you worked on every fund-raising project and served on all committees at one time or another. Freely you have given of your time, your money, and your possessions. Never has the school looked to you for help and failed to get an enthusiastic, willing response. May others heed your example of dedication and service for the good of the school and the community.

# Faculty

# Promise Yourself

To be so strong that nothing can disturb  
your peace of mind.

To talk health, happiness and prosperity  
to every person you meet.

To make all your friends feel that there  
is something in them.

To look at the sunny side of everything  
and make your optimism come true.

To think only of the best, to work only  
for the best, and expect only the  
best.

To be just as enthusiastic about the  
success of others as you are  
about your own.

To forget the mistakes of the past and  
press on to greater achievements  
of the future.

To wear a cheerful countenance at all  
times and give every living  
creature you meet a smile.

To give so much time to the improvement  
of yourself that you have no time  
to criticize others.

To be too large for worry, too noble  
for anger, too strong for fear  
and too happy to permit the  
presence of trouble.

-- Anon.

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

## There's a career for you in paper

Today there are more than 100,000 different uses for paper . . . and the search for new uses never ends. That is why this fast-growing industry is now among the ten largest in the country . . . and why it needs engineers, researchers and technicians for future growth. Our company, a pioneer kraft paper manufacturer, offers college scholarships for study in electronics and in pulp and paper technology. It offers jobs for skilled college graduates in many other fields. For information, write Personnel Department—
